Bears Surprised, but Resolutely Cor tinue to Predict a Reaction:

OTHER STOCKS FIRM IN SYMPATHY

Insiders Say the Price Will Yet Go 140, While Their Opponents Laugh at This Statement.

Without any apparent reason the stock started up with a tremendous rush in the last hour, and advanced 2% per cent with the greatest ease. The bears on the stock found, when they attempted to buy back their short stock, that the floating supply had suddenly disappeared, and that they had to compete with the brokers who act for the insiders.

Sugar is now acting as it did around 55, when it was fashionable to sell it bort. The insiders are predicting 140 for me stock, but the professionals are sticking their moses up in the air at the prediction, with sarcastic comments. Very often see Street is most deceived by truthful attenents, as the tendency is at all times. "Copper" the statements of insiders. The general market, though extremely irrow, was firm in tone, owing to the rength of Sugar and the sale of several rege blocks of bonds abrond. Went Cheaply.

Up to within a few weeks ago it was confidently hoped that the absorption of Fifth avenue between Forty-second street and the park, for business purposes, would be stayed, for a time, at least. Within the year side of the market, were with larger and persistent operation the buying side of the market this con.

Ago July wheat opened at 62 bid. clearances for wheat and flour were on the buying side of the market this con.

This, however, is just what is happening.

There is, moreover, as I have already stated, a Presidential election to be got over. If a silverite were to take the heim in the United States, the effect would undoubtedly be disastrous, and it, therefore, is not surprising that our capitalists prefer to await developments, although I feel sure that the good sense of the American people, taught by the bitter experience in the propose of the market this con.
